Open to Bangalore & Chennai

PROFESSIONAL SUMMARY

Pharm.D graduate (Annamalai University) and Advanced Diploma holder in Clinical Research (CliniLaunch, 2026) with GCP certification to ICH E6(R3) standards from NIHR and NIH. Accumulated **2 years of structured clinical experience across 11 therapeutic departments** at a government tertiary care hospital, performing hands-on ADR documentation, causality assessments using WHO-UMC and Naranjo scales, and GCP-compliant trial coordination. Author of **2 peer-reviewed publications**. Ranked in the top percentile (88%) at a national-level clinical research talent assessment. Seeking Pharmacovigilance Associate or Clinical Research Coordinator roles in Bangalore / Chennai.

CLINICAL TRAINING & EXPERIENCE

Pharm.D Final Year Internship — Pharmacovigilance Focus

Aug 2025 – Aug 2026

Government Cuddalore Medical College & Hospital · Chidambaram, Tamil Nadu

- Identified, documented, and managed 15 ADRs across 11 therapeutic departments using WHO-UMC and Naranjo causality scales; escalated 1 Serious Adverse Event (SAE) — Grade III Anaphylaxis — per ICH E2A protocol, ensuring zero reporting lapses during the 12-month internship.
- Maintained GCP-compliant source documentation, Case Report Forms (CRFs), and Informed Consent Files (ICFs), enabling audit-ready patient records across concurrent clinical assessments.
- Conducted medication therapy reviews and drug interaction screening during ward rounds across Medicine, Obs & Gynae, Psychiatry, Paediatrics, and Pulmonology departments, serving approximately 950 patients annually at a 1,500-bedded tertiary care hospital.
- Supported patient identification and department-level coordination during clinical assessments, maintaining accurate records aligned with GCP documentation standards.

Pharm.D Academic Clerkship — Multi-Department Rotation

July 2024 – July 2025

Government Cuddalore Medical College & Hospital · Chidambaram, Tamil Nadu

- Completed 12-month structured rotations across 11 departments (Medicine, Surgery, Paediatrics, Obs & Gynae, Ophthalmology, Psychiatry, DVL, Orthopaedics, ENT, Pulmonology, Dermatology) under faculty supervision.
- Performed patient medication reviews and drug interaction screenings, building proficiency in clinical pharmacology and patient safety documentation workflows applicable to CRC roles.

RESEARCH PUBLICATIONS

Comparative Analysis of Oral Labetalol vs. Oral Nifedipine in Gestational Hypertension

Conducted a prospective comparative study at a tertiary care hospital; assessed antihypertensive efficacy, onset of action, and side-effect profiles in gestational hypertension patients — findings relevant to obstetric pharmacovigilance. *VVI Journal · Vol. 13, Issue 5 · May 2025 · ISSN: 1210-1389*

Evaluation of Postoperative Pain Management Strategies in Haemorrhoidectomy

Evaluated and compared analgesic protocols post-haemorrhoidectomy across a patient cohort; quantified pain scores and recovery timelines, contributing to evidence-based surgical care guidelines. *IJISRT · Vol. 10, Issue 8 · Aug 2025 · Article No: IJISRT25AUG1277*

CERTIFICATIONS

GCP ICH E6(R3) — NIHR (Feb 2026, 4 CPD credits)

Good Clinical Practice — NIDA CTN / NIH (Jul 2023, 11 Modules)

Principles of Clinical Research — NIH (2025–2026)

Ethical & Regulatory Aspects of CR — NIH (2026)

GCP — IMP Management — NIHR (Feb 2026, 4 CPD credits)

Introduction to Pharmacovigilance — PharmUni/Zamann, TÜV-SÜD ISO 9001 (2026)

NIHR Informed Consent Series (Children · Adults · Remote, 2026)

Antimicrobial Resistance & IPC — WHO OpenWHO (Sept 2024)

TECHNICAL SKILLS

Pharmacovigilance: ADR Reporting, SAE Reporting, Causality Assessment (WHO-UMC, Naranjo), ICSR Documentation
Clinical Research: ICH-GCP E6(R3), Protocol Deviation Tracking, Source Data Verification (SDV), eCRF/EDC, Informed Consent Process, IMP Management, CTMS basics, Patient Enrolment Coordination
Tools & Regulatory: MS Excel, Schedule Y (India), ICH E2A/E2B, GCP Audit-Ready Documentation, WHO Safety Reporting Guidelines

EDUCATION

Doctor of Pharmacy (Pharm.D) Annamalai University, FEAT — Chidambaram, Tamil Nadu	2020 – 2026 CGPA: 7.91 / 10
Advanced Diploma — Clinical Research Clinilaunch Research Institute	Mar 2026 – Aug 2026
